

# Dental Rewards<sup>SM</sup>

[www.fdvp.com](http://www.fdvp.com)

\$350 Per Year Per Family Member over 3 years to a \$1,000 extra

A \$2,000 Maximum Benefit With Fusion by Ameritas

(Highest PPO MAX OFFERED) Per Family Member per year.

Plus, the Extra \$1,000 for the Children's Orthodontic Benefit.

Now available, **PPO Bonus**, an enhancement to Dental Rewards. With PPO Bonus, if insureds visit one of our PPO providers at least once during the benefit year, they earn an additional PPO Bonus amount. **Best-case scenario: Visit a PPO dentist annually and earn both Dental Rewards and a PPO Bonus in one visit.**

Until now, there were no insurance rewards for employees who practiced good dental hygiene by brushing, flossing and visiting their dentist regularly. A successful group dental plan needs these good dental risks to balance claims experience and stabilize premiums for the entire group.

For plan participants who practice good oral hygiene and occasionally **need to plan for a major dental procedure**, Dental Rewards is the answer.

**Earning annual rewards is easy**, and our state-of-the-art claims system automatically tracks and calculates individual reward amounts. The longer an employee participates in the dental plan and continues to practice healthy dental habits, the more rewards the individual can earn.

Gives you up to an increasing maximum **by \$350 per year per** Family Member in 3 years by \$1,000 to a \$2,000 Maximum Benefit per year per family member
